- **Respectful**

Academic Success

Leading, Navigating, Succeeding

What makes LNS so unique?

- Small school / not a number a name an individual.
- Three clear, distinctive pathways.
- Opportunities in this location are second to none!

‘The school provides pupils’ opportunities to enrich their life experiences through contact with businesses and visits to places of worship, museums and historical sites’ - Ofsted 2019’

Why LNS?

Assistant Headteacher and Head of Sixth Form - Mrs Grant

Results

2020 A level results:

Value added of +0.61

A*'s in Biology, Chemistry, Physics, Maths and PE
D*DD in Extended Diploma in Sport

LNS is continually improving and you can be part of that journey.

Studies**

**Option 2: 2 x
A-Level
and/or Level
3 Btecs +
Maritime
Studies**

Expectations

All students in Sixth Form are expected to have 100% punctuality and 95% (and above) attendance. The dress code for Sixth Form is smart office wear. Students who are part of the Football Academy will be expected to purchase the football kit for training and lessons at Coldharbour. More information will be sent out in the enrolment package.

What else can we offer you ...

- Personal careers guidance
- Support in making the right decision
- Skills Workshops
- Apprenticeship workshops
- University Taster days and workshops
- Support from Imperial University and King's College London
- Mentoring opportunities
- A fantastic location offering trips and experiences
- A chance to develop as an individual

Curriculum

Assistant Headteacher - Miss James

The LNS Curriculum

The curriculum at London Nautical intends to prepare its pupils for the world beyond school through an enriched, knowledge-based curriculum that is rooted in developing lifelong skills. At the London Nautical School we provide a curriculum that will challenge and inspire. Through our carefully designed programmes of study we aim to nurture ambition and help to develop a lifelong love of learning in our pupils. Our curriculum is designed to give our pupils the tools and knowledge they will need in order to become not only successful learners but also respectful and responsible citizens capable of making a difference in the world.

Our curriculum is designed to support all our pupils to become...

Successful

Aspiring

Responsible

Literate

Curriculum Aims

Successful

Aspiring

Responsible

Literate

These qualities are exactly the qualities employers, apprenticeships and universities are looking for.

Our school curriculum will prepare all our students for the world of employment or future study. However at KS5 we expect our students to think also what they can do to demonstrate these qualities

- Leadership skills
- Reading around the subject
- Career goal and aspirations
- Being socially responsible

A Levels

- Art
- Biology
- Business Studies
- Chemistry
- Computing
- English Literature
- Further Maths
- Geography

- Art & Design
- Extended Diploma in Sport (triple award)
- ICT Cambridge Technicals (single & Double)
- Sport (single award)
- Travel & Tourism

Open Awards

- Maritime Studies

Planning a journey

Not only do we provide a robust curriculum, that will enable all our pupils to progress onto their chosen pathway, we also provide extra curricular opportunities to develop each individual.

Some of these opportunities include:

Model UN

UCAS support days

Reading mentors to younger pupils

Access to STEM days

Work with PWC

The Football Academy Pathway

Director of Sport - Mr Goldsmith

Nautical Pathway

Head of Nautical - Mr Bullar MBE

Maritime Pathway

There is a big demand for young people with maritime skills.

- Fully funded university study
- Above average salary
- Both shoreside careers and wet careers

- LNS course is highly regarded
- Practical boat handling and barge trip
- LNS has a fleet of school boats

Application Process

Assistant Headteacher and Head of Sixth Form - Mrs Grant

How to apply

All applicants will be invited for interview (December and March)

Final enrolment August 2021 (GCSE results day).

More information email: sixthformadmin@lns.org.uk or visit the website: <https://www.lns.org.uk/sixth-form/admissions/>

Football Academy Breakout Session

**Mr Goldsmith (Director of Sport) and
Mr Bowry (Head Coach and Academy Director)**

VOLENTI ACADEMY

LNS Football Academy

A PASSION FOR FOOTBALL

LNS Football Academy

The London Nautical Football Academy gives aspiring young players the opportunity to combine their academic studies with a first class football programme.

LNS Football Academy Coaching

Led by ex-professional players, Bobby Bowry and Charlie McDonald, the football coaching is delivered by Volenti Academy and offers an insight into the professional football environment, providing up to 8 hours of practical training per week.

In addition to the coaching, Volenti employ a strength and conditioning expert who delivers weekly group and individual sessions to ensure our players are in peak condition to cope with playing in the National Football Youth League (NFYL)

LNS Football Academy Education

The London Nautical School is a Sports Specialist College. It is a foundation school for boys with a co-educational sixth form. Each year, the School achieves good results at Level 3 in both A-Levels and vocational courses, which has led to students being able to reach their desired goal of either University or Employment.

At the Academy, players have the option to study:

- Level 3 Btec Extended diploma in Sport (Equivalence of 3 A-Levels)
- A Levels (3 A Levels)
- Selection of Vocational courses (inc, ICT, Leisure Tourism, Sport, Science)

LNS Football Academy Games Programme

Our teams represent Crystal Palace FC in the National Football Youth League (NFYL) and the SCL League, playing against other programmes from the likes of Tottenham, Southampton, Chelsea and Fulham. In the past two seasons, all our teams have either won or come runners up in the league.

Last season, we reached the National Final of the NFYL Cup which was played at Selhurst Park against JMC Reading.

Each season, the NFYL select a national representative team to play showcase games against other representative teams, with strong exit routes into the professional game and US scholarships. This season, Bobby was invited by the NFYL to coach the teams and be part of the selection panel.

LNS Football Academy Showcase Matches

As well as the league and cup competition, Bobby and Charlie use their comprehensive connections within the professional game to organise showcase games against professional clubs' academies.

In the last two seasons, we have held matches against Crystal Palace, Watford, Nottingham Forest, Bournemouth and Barnsley. These games have led to a number of boys being invited in for a trial at the clubs.
