### Year 10 and 12 Work Experience

Dear Parent(s)/Guardian(s)/Carer(s),

Work experience is an important part of becoming 'workplace-ready'. This is an opportunity to build useful skills and gain valuable experience that cannot be obtained in the classroom.

Work experience can empower new talent, encourage, inspire, and influence a different mindset, especially as your son is approaching the next stage of their education or looking for an apprenticeship.

**The Year 10 and 12 will be expected to gain a work experience placement at the end of July.**

It is the responsibility of each student to research, contact and arrange their own work experience in line with their career related interest. **The deadline for all students to secure work experience is Prior to the Easter Holidays. This is so that we can ensure all documentation is in place for your child to complete their placement..**

**Pupils can use Unifrog to research Work Experience opportunities as well as asking Family members or friends of family.**

Thank you for your support in advance.

Yours sincerely,

Mr J Goldsmith  
Director of 6th Form
